

GlobalFit Elects Christopher Cashman To Board of Directors

PHILADELPHIA, May 16, 2017 / PRNewswire / GlobalFit -- GlobalFit, a leading health and wellness technology company that accelerates wellness program engagement, has announced the election of Christopher Cashman to the company's Board of Directors.

Mr. Cashman joins GlobalFit with two decades of professional experience and expertise in healthcare. Mr. Cashman was most recently a member of the executive leadership team at Independence Blue Cross where he served as Executive Vice President and President of Commercial Markets. In that role, he had overall profit and loss responsibility for the company's commercial health markets, including marketing and sales, and ancillary businesses. In addition, he was responsible for corporate communications, advertising, and creative services.

"Chris's significant health insurance experience will be invaluable to GlobalFit as we continue to develop innovative health and wellness technology solutions and enter into unique and transformative partnerships with health insurers and employers. Chris joins an accomplished and forward-thinking Board of Directors comprised of healthcare and private equity industry veterans that uniquely position GlobalFit for continued growth and success," said GlobalFit's President and CEO, Tony Frick.

"I am extremely pleased to join the GlobalFit Board of Directors," said Cashman. "For over 25 years GlobalFit has been at the forefront of introducing high quality, employer and insurer based wellness programs. I look forward to working with our board and with our incredibly talented executive team to help strategically develop and deploy the next generation of innovative and engaging wellness technology solutions. I believe our future is bright and I am pleased to be a part of GlobalFit's emerging growth story."
